

Exa[®] PACS/RIS

Feature Summary:

Change Annotation Color and Size

© 2020 Konica Minolta Healthcare Americas, Inc.

You can change the colors and sizes of annotations by following the procedure below. This can be useful for non-color monitors and/or colorblind personnel.

See also "Configure annotation" in the user's manual.

1. On the settings imenu, click **Viewer Settings**.

			∯ ტ 7 0
	DOB	、ううごの命ご MODALITY	STUDY
	DOB	All	
ening - Combo	08/13/1965	MG	BAM/

2. In the **Viewer Settings** dialog box, on the **INTERFACE SETTINGS** tab, make changes and then click **SAVE**.
