## System requirements

The following are the minimum system requirements for clients of Exa PACS/RIS.

### Workstation - User

Component	Specification
CPU	Intel® Core™ series, 4 cores, 8 threads @ 3.0 GHz
RAM	8 GB
Graphics	Integrated - Intel Iris Xe Graphics card must be compatible with and support required resolution on each display, as well as total resolution for all displays.
NIC	Single 1000 MB/s
Storage	SDD, 256 GB
OS	Windows 11 Pro
Display	16:9 Aspect Ratio, 1920 × 1080

## Get started with Patient Portal

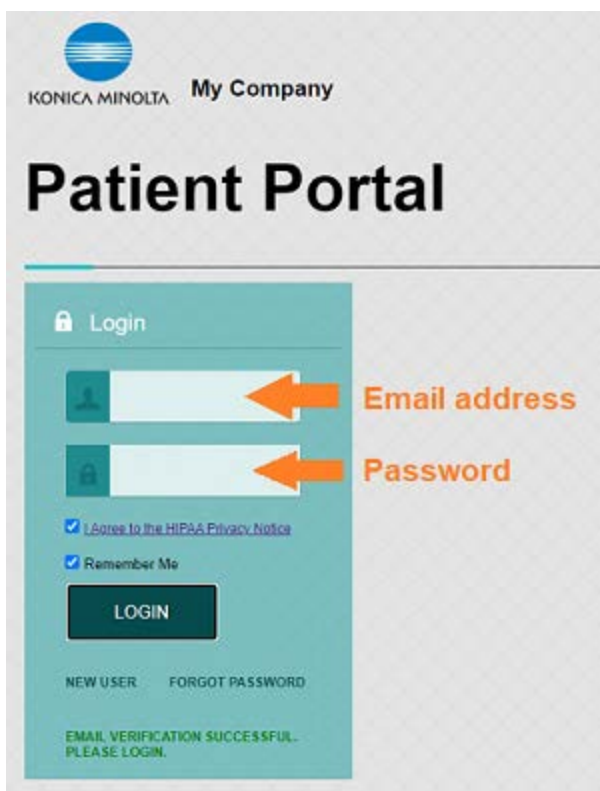

### Set up your account and profile

Patient Portal is a website that you can use to request appointments, view information about your current and past exams, update insurance, and more. Your Patient Portal account is safe and secure; only you and your representatives can use it to view your patient records.

### Create an account and sign-in

To use Patient Portal, start by selecting the link emailed to you by your healthcare facility (sometimes it may be necessary to copy the link and paste it into the URL box of your web browser). Next:

1. On the **Create New Password** page, type a password and select **CREATE**.  
**Result:** Your account is created, and the sign-in screen appears.
2. On the sign-in screen:
  - In the first box, type your **email address** (this is your user name when you sign-in).
  - In the second box, type the password you just created.
  - Select **I Agree to the HIPAA Privacy Notice**
  - Optional: Select **Remember Me** to auto-fill your username next time you sign in.

3. Select **LOGIN**.

## I forgot my password

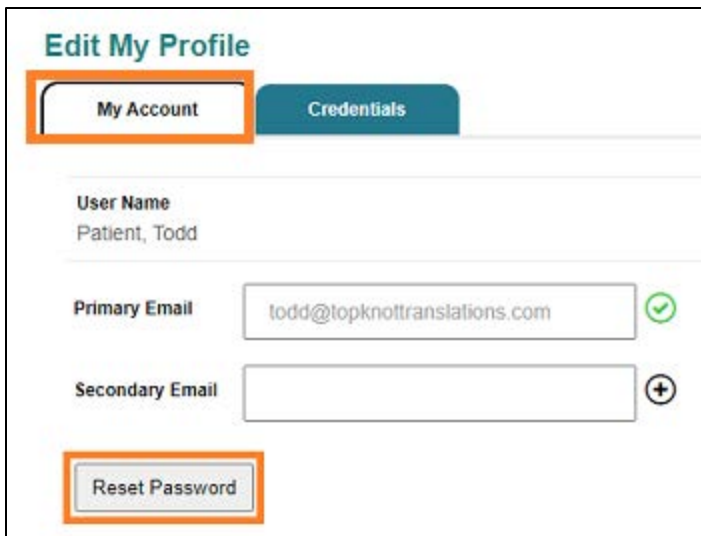

If you forget your password, you can reset it from the sign-in page.

1. On the sign-in page, on the right pane, select **FORGOT PASSWORD**.
2. In the **Forgot Password** box, type your email address and select **SUBMIT**.
3. Open the email sent to the address you entered, and use the link to reset your password.

## Reset my password

For security and protection of your personal health information, periodically reset your password.

1. On the home screen, select the menu  button, then the **Edit My Profile**  button.
2. On the **My Account** tab, select **Reset Password**.

**Edit My Profile**

**My Account** **Credentials**

**User Name**  
Patient, Todd

**Primary Email**  

**Secondary Email**  

**Reset Password**

3. Type your current and new password (twice), and then select **Save**.

A screenshot of a password change form. At the top, there is a partially visible field labeled "Secondary Email" with a search icon. Below it are three required password fields: "Current Password:", "New Password:", and "Confirm Password:". Each field is a simple text input box. At the bottom of the form are two buttons: "Save" and "Cancel".

## Update my profile

If your personal information changes, you can edit it.

1. On the home screen, select the menu  button, then the **Edit My Profile**  button.
2. On the **Credentials** tab, edit information as needed, and then select **Save**.

A screenshot of the "Edit My Profile" window. The window has a title bar with "Edit My Profile" and a close button. Below the title bar are two tabs: "My Account" and "Credentials", with "Credentials" highlighted by an orange box. The main content area is titled "Patient Information" and contains several fields:

Patient Name	Account Number	Date of Birth	Sex
Patient, Todd	PatT12750	2000-01-03	M

Below this table are several input fields:

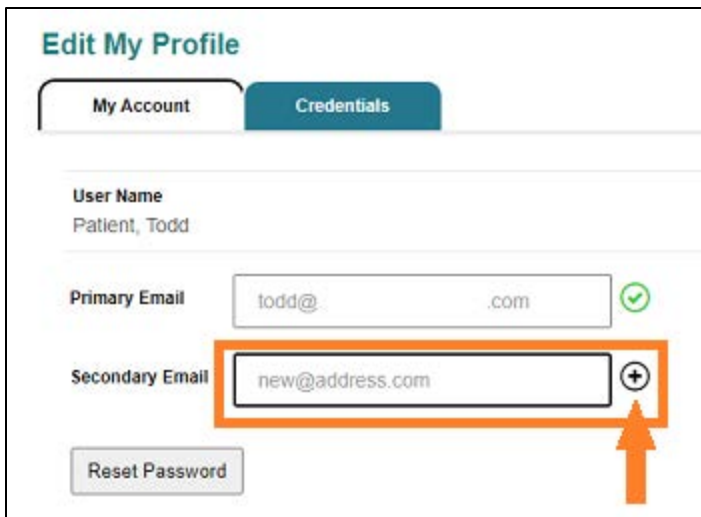

- Marital Status: A dropdown menu with "Select" and a downward arrow.
- Address Line 1: A text input field.
- City: A text input field.
- SSN: A text input field.
- Address Line 2: A text input field.
- State: A dropdown menu with "Select" and a downward arrow.
- ZIP: A text input field.
- Home Phone: A text input field.
- Mobile Phone: A text input field.
- Work Phone: A text input field.

At the bottom of the form are two buttons: "Save" and "Cancel".

## Add an email address

To add a new email address to your account:

1. On the home screen, select the menu  button, then the **Edit My Profile**  button.
2. On the **My Account** tab, in the **Secondary Email** box, type an email address, and then select the plus  sign.

The screenshot shows the 'Edit My Profile' interface. At the top, there are two tabs: 'My Account' and 'Credentials'. Below the tabs, the 'User Name' is listed as 'Patient, Todd'. The 'Primary Email' field contains 'todd@.com' and has a green checkmark icon to its right. The 'Secondary Email' field contains 'new@address.com' and has a plus sign icon to its right. An orange rectangular box highlights the plus sign icon, and an orange arrow points to it from below. At the bottom left, there is a 'Reset Password' button.

**Result:** An verification email is sent to the address you entered.

3. Use the link in the verification email to verify your new address.

## Add an insurance policy

If you obtain new a insurance policy, you can add it.

1. On the home screen, select the menu  button, then the **Insurance**  button.
2. On the **Insurance** tab, click **Add**, and then enter all relevant information.

The screenshot shows a form titled "Insurance + Add". The form is organized into several rows of fields. The first row includes a dropdown for "Level" (highlighted with a red box), a text field for "First Name", and a text field for "Address Line 1". The second row includes a dropdown for "Employee Status", a text field for "Middle Name", and a text field for "Address Line 2". The third row includes a search field for "Insurance Provider", a text field for "Suffix", and a text field for "City". The fourth row includes a text field for "Policy Number", a text field for "Last Name", and a dropdown for "State". The fifth row includes a dropdown for "Medicare Ins. Type", a dropdown for "Relationship", and a text field for "ZIP". The sixth row includes a text field for "Group No.", a dropdown for "Gender", and a text field for "Pre-Cert. Phone". The seventh row includes a text field for "Group Name", a text field for "DOB", and a text field for "Pre-Cert. Fax". The eighth row includes a text field for "Work Phone", a text field for "Valid From Date", and a text field for "Exp. Date". The ninth row includes a text field for "Home Phone". At the bottom of the form are "Save" and "Cancel" buttons.

3. If this is your only policy, in the **Level** list, select **Primary**.

This is a close-up of the "Level" dropdown menu from the form above. The menu is open, showing four options: "Select", "Primary", "Secondary", and "Tertiary". The "Primary" option is highlighted in blue, indicating it is the selected choice.

Otherwise, select **Secondary** for your second policy, or **Tertiary** for your third policy.

4. Select **Save**.

## Update insurance information

If your insurance policy changes, you can update it.

1. On the home screen, select the menu  button, then the **Insurance**  button.
2. On the **Insurance** tab, find the policy you want to update, and on the right, select its edit  button.

3. Edit the information as needed, and then click **Save**.

## View authorized representatives

An authorized representative is a person you authorize to use your patient portal account. If your healthcare facility registered any authorized representatives for you, you can view them as follows:

1. On the home screen, select the menu  button.
2. Select the Authorized Representative  button.

## Add a guarantor

A guarantor is a person who accepts financial responsibility to pay the medical bill for the patient. To designate a guarantor:

1. On the home screen, select the menu  button, then the **Guarantor**  button.
2. On the **Guarantors** tab, select **Add**.

The screenshot shows a web form titled "Guarantors" with a dark teal header. In the top right of the header, there is a button with a white plus sign and the text "Add", which is highlighted with an orange rectangular border. Below the header, the form is organized into a grid of input fields. The fields are: "First Name" (required, marked with an asterisk), "Relationship" (dropdown menu), "Mobile Phone", "MI", "Address Line 1", "SSN", "Suffix", "Address Line 2", "Home Phone", "Last Name" (required, marked with an asterisk), "City", "Work Phone", "DOB" (format YYYY-MM-DD), "State" (dropdown menu), "Email", "Sex" (dropdown menu), "ZIP", and "Employer". At the bottom of the form, there are two buttons: "Save" and "Cancel".

3. Enter information about the guarantor, and then select **Save**.

**Note:** Fields with an asterisk (\*) are required.

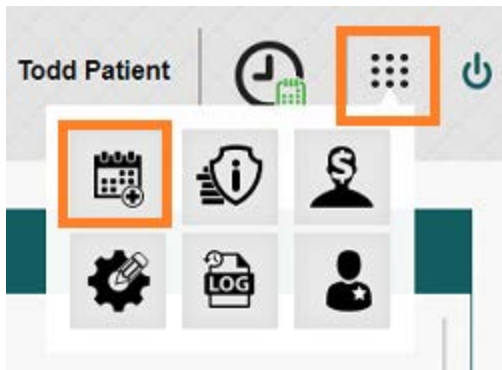

## Use the patient portal

Using Patient Portal is a convenient way to request and view appointments, view your medical records (patient chart), and to send documents requested by your healthcare providers (such as scans of your insurance card).

## Request an appointment

You can request an appointment for specific study on a specific date at a selected location.

1. On the home screen, select **Menu > Schedule**.

2. On the **Appointments** tab, select **Add**.

3. Under **Add Information**, enter the following settings.

Setting	Description
Location	Select your first choice of healthcare facility for the appointment.

Setting	Description
Modality	Select the type of imaging to receive. The following is a partial list.
	BD      Bone density
	BTO     Breast tomography
	CR      Computed radiography
	CT      CT (computed tomography)
	DG      Diaphanography
	DR/DX   Digital radiography/X-ray
	Laser    Like an x-ray, but using lasers for much more micro levels of imaging
	MG      Mammogram
	MR      MRI (magnetic resonance imaging)
	NM      Nuclear medicine
	OT      Other
	PT      PET (positron emission tomography)
	RF      Radio fluoroscopy
	RT      Record of treatment
	SC      Secondary capture
SR      Structured reports	
US      Ultrasound	
XA      X-ray angiography	
Referred By	Select the doctor or healthcare provider who recommended imaging for you.
Requesting Date	Select your first choice of date for the appointment.
Schedule Notes	Type any special instructions or notes to the facility performing the imaging.
Appointment Type	If you know the appointment type, type it here. For example: Chest CT.
As Soon as Possible	If the appointment is urgent, select this check box.

4. Click **Save**.

**Result:** The appointment request is sent.

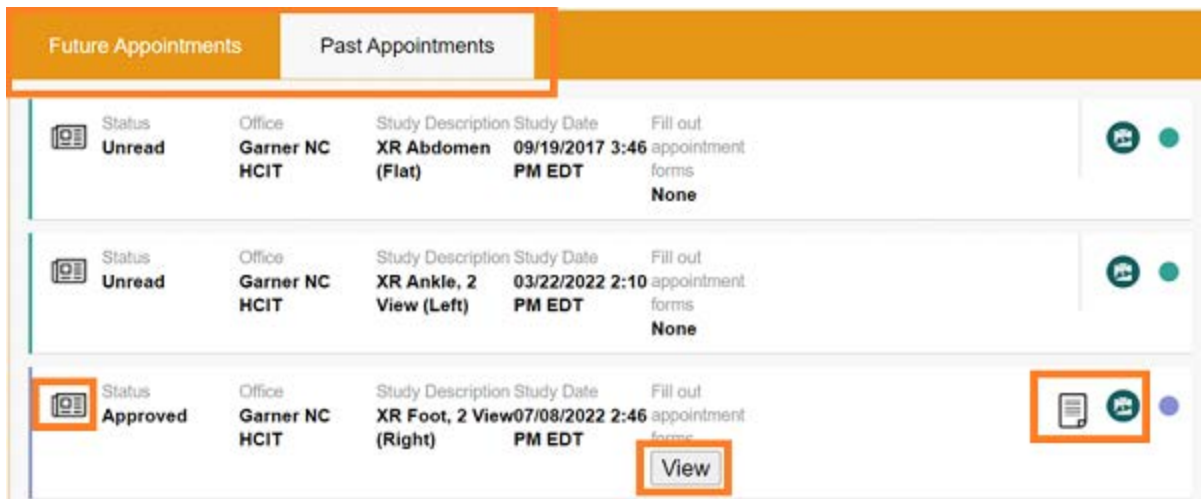

## View appointments and appointment confirmations

You can view information about your past and future appointments, fill out forms, and view and print the appointment confirmation card.

1. In the left pane, select **Home**.

2. Select the **Future Appointments** or **Past Appointments** tab.

3. You can use the following buttons:

 View and print the **appointment confirmation card**.

 Fill out appointment **forms**

 View **images**

 View **approved reports**

## Upload a document

You can send documents to your healthcare provider such as scans of your insurance card, forms, and reports from prior exams by uploading them in the patient portal.

1. In the left pane, select **Home** , and then **APPOINTMENT**.

2. Select the **Future Appointments** or **Past Appointments** tab.
3. On the row containing the appointment that pertains to your document, select the upload  button.

4. Enter any of the following that may be helpful to manage the document:

**Accession No.:** 31379      **Patient:** Patient, Todd (MRN: PatT12750), 2000-01-03

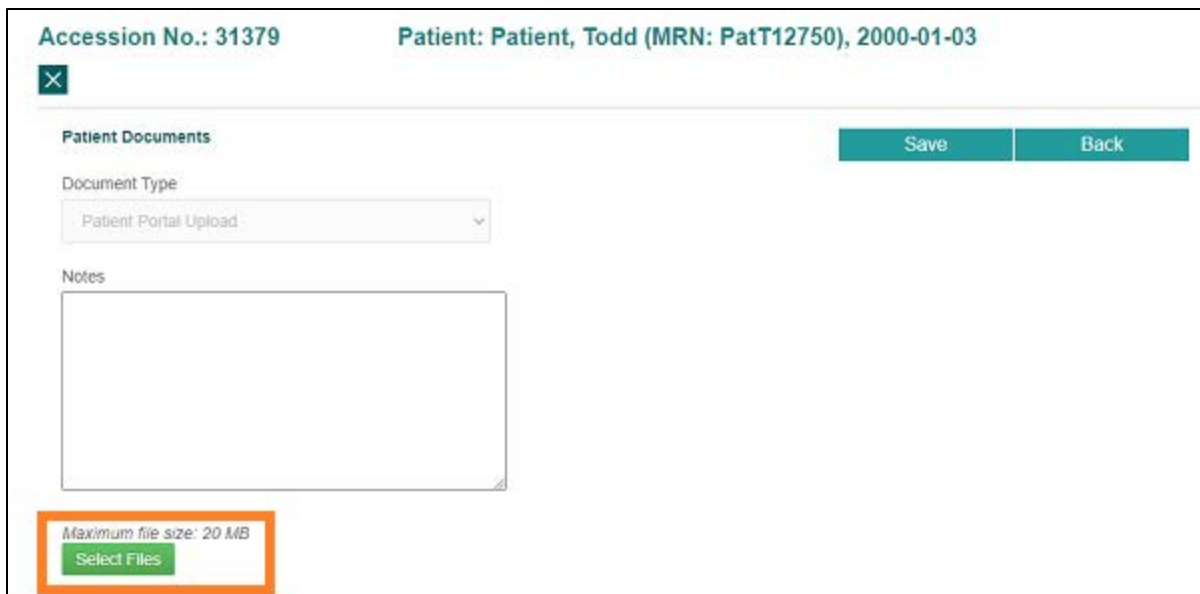

X

Patient Documents **Upload**   **Reload**

Document Type	Document Notes	Created By	Import/Upload Date
Patient Portal Upload			YYYY-MM-DD

- **Document Type** - Select the type of document to upload.
- **Document Notes** – Type a description, or other notes, if needed.
- **Created By** – Type the originator of the document (such as a doctor, or yourself).
- **Import/Upload Date** – Type the current date.

5. Select **Upload**.

The screenshot shows a web form titled "Patient Documents" for a patient named Todd. The form includes a "Document Type" dropdown menu set to "Patient Portal Upload", a "Notes" text area, and a "Select Files" button. A message indicates a maximum file size of 20 MB. "Save" and "Back" buttons are also visible.

6. Select **Select Files**, browse for and select a file to upload, and then select **Open**.

**Optional:** Repeat to add additional files.

7. In the screen above, select **Save**.

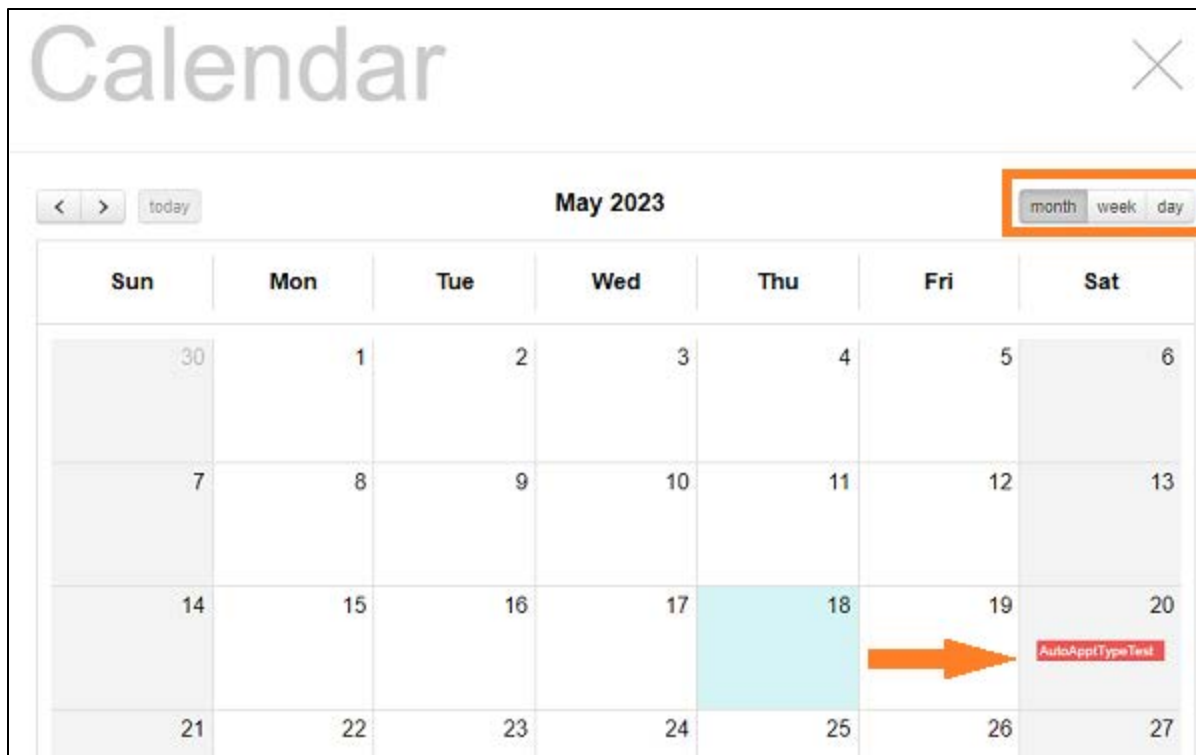

**Result:** The files are added to your record, and can be accessed by your healthcare provider.

## View your appointments in a calendar

You can open a calendar view of your appointments.

- On the home screen, select the Calendar  button.

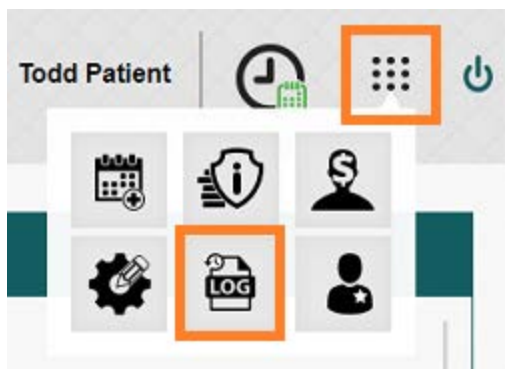

### View account activity

To see a history of activity on your account:

1. On the home screen, select **Menu > Log**.

2. Optional. To search for a specific log entry, select **Search**.
