Get started with Attorney Portal

Before you begin, obtain account credentials from your site administrator. Those credentials allow you to use the functions of the portal to which you were granted rights.

Use Attorney Portal

Attorney Portal is a web app accessible from Exa PACS/RIS that provides a convenient place to request and view appointments, view your clients' medical records (patient charts), and to send documents requested by healthcare providers.

Sign in to Attorney Portal

1. In Chrome, go to the URL provided to you by your administrator or Konica Minolta.
