

# The **CS-7** Windows Platform Upgrade

A simple transition to Windows 10 for your Konica Minolta AeroDR<sup>®</sup> and CR Systems.

## Don't let Microsoft's end of Windows 7 support catch you unprepared.

Upgrade your Konica Minolta CS-7 DR or CR Control Station to a newer model Windows 10 IoT desktop computer, complete with widescreen touch monitor and the latest CS-7 software version.

- Receive newer model desktop computer and monitor for improved performance
- Effectively upgrade OS from Windows 7 to Windows 10 IoT
- Upgrade to the latest available CS-7 software version
- Take advantage of REALISM™ \*
- Maintain continuity with the same service agreement coverage level of the existing system

For more information about this upgrade, contact your Konica Minolta Sales Representative.

\* additional charges apply for REALISM image quality optimization by the KM Professional Services team
