

KONICA MINOLTA

April 1, 2020

**An Update from David Widmann, President & CEO
Konica Minolta Healthcare Americas, Inc.**

The outbreak and resulting impact of COVID-19 is continuing at an unprecedented pace and affecting people in countries around the world. We share with you the top priority of the health and safety of patients, healthcare providers, industry partners and employees throughout all communities and understand the challenges facing our society. Within all divisions of Konica Minolta, we are supporting healthcare around the globe.

Our internal and field teams continue to work tirelessly providing products and supplies to meet patient needs with a great sense of urgency. During these challenging times, our teams are executing our business continuity plans and we will continue to ensure seamless delivery of products, service and support in the manner preferred by our customers, be it virtual or direct in-person presence. We, along with our business partners, are key to maintaining this continuity.

I want to personally share Konica Minolta's commitment to you as we strive to protect all our customers, partners, and employees: we understand that our company's solutions are mission critical for our customer's delivery of healthcare. Today as always, we feel privileged to be your partner, and are committed to the highest standards in providing world class patient care. We are here to support you in fulfilling this mission in these unprecedented times.

Be safe. Stay healthy.

Sincerely,

David Widmann
